Date of the 1st day

09/10/2021

CONCLUSIONS

The round table was attended by 15 participants. The round table was organized by the International University of Travnik in Travnik as part of the European Union project ECOBIAS (Development of master curricula in ecological monitoring and aquatic bio assessment for Western Balkans HEIs). Participants were satisfied with the information received and assessed the event as very well organized. Participants learned basic information about the project, and the state of water in general.

Moderators: Prof. Ph.D. Nedžada Tolja

Aida Varupa, MA

Selma Otuzbir-Mecan, MA
